

Tilley Endurables

The new Aviator hat features an outer fabric of charcoal wool matched with real shearing in a natural color, black satin quilted lining and leather tabs to hold the ear flaps in place, either on top of the crown or under your chin. The smaller ear flap can be opened and secured with a button to expose a smaller embroidered opening. The smaller embroidered opening underneath each ear flap lets the wearer hear what's around or can be used to hold ear phones in place. MSRP is \$129. www.tilley.com

Tool Logic

The SL Plier has a razor sharp 3-inch blade of tough, high-carbon stainless steel, while the handle features a high quality spring loaded pliers with wire cutter, plus screwdrivers bits and a socket. Thumb grooves on top of the handle offer excellent grip and feel. The SL Plier also has a stainless boot/belt clip for easy carry. 800-483-8422 or www.toollogic.com

TravelChair

Cloaked inside what doubles as a messenger or laptop bag, the new quick-dry Larry chair starts with Over Center Hinge Technology that allows for quick fold-and-sit deployment as well as fast fold-and-go storage. A lower stabilizer increases structural support and an angled back contributes to comfort. It sports durable nylon mesh fabric that resists fading on a frame built of thick-walled aluminum and powder-coated steel. Able to support 250 pounds despite weighing just 5 pounds, the Larry measures 18.5 inches long, 2.25 inches wide and 12.5 inches high when folded. Ready for shipping March 1, MSRP is \$45. www.ravelchair.com

TrekSta

From the popular TrekSta Evolution series comes the Evolution GTX. The Gore-Tex membrane ensures waterproof comfort, while TrekSta's NestFIT system cradles the foot, accounting for every contour following the natural flow and design of the human foot. Topping off the Evolution GTX is an IceLock embedded sole that provides traction in any condition. 877-220-2494 or www.trekstausa.com

Vasque

The Mindbender GTX is the first style to launch utilizing a new fit-enhancing Gore construction, the new Gore-Tex "conformable laminate
