

PREMIUM EVENT SEATING

Read how TravelChairs first class seating solutions helped Chambers Bay put on a top shelf event.

Here's how

"The TravelChair team and family of product were a key contributor and helped make the 2010 U.S. Amateur a first class event. Their chairs were a tremendous asset for our on-course volunteers and the logo'ed units were a hit in our merchandise tent."

-Brian Simpson, Director of Sales
- 2010 U.S. Amateur

"The TravelChair Slacker stools were lightweight, convenient and sturdy. Most of all- they helped keep my legs fresh during the event."

- Volunteer Shari J.
